What personal data may we ask you to provide and at what stages?

Xcryptex.com collects personal data of users only on a voluntary basis and in accordance with the current legislation.

Personal information and contact details that may be required for the registration of the user: 1) Email address 2) Registration address 3) Name, Surname 4) Age 5) Phone number.

We reserve the right to store all information received from the user: Computer settings and characteristics, user's IP address, and geographic location data and cookies files transferred by your browser.

2. Why does Xcryptex.com collect user personal data?

The main reason for which we ask users to provide their personal data is due to the necessity to give users the ability to use the full range of the services on Xcryptex.com Marketplace and use all possibilities of the site – making deals between users.

3. How and where can your personal data be used by Xcryptex.com?

Collecting and utilizing personal data is conducted in order to help Xcryptex.com provide security to both Parties and their material and virtual values during a deal.

- Providing the possibility to users for engagement on the site and the conclusion of safe deals with each other.
- Providing full-fledged technical and client support.
- Resolving disputes between the users when they arise.
- Informing users about any changes of the site, promotions, offers, discounts, opened disputes which relate to the user, and possible measures and sanctions regarding to the account.
- Better understanding the user's preferences for further informing him via email about new products and offering tailored ones based on his personal preferences.

Xcryptex.com reserves the right to transfer your personal data to partner companies, payment systems, and Xcryptex.com-controlled services and sites. Also, your personal data can be passed on to services and law enforcement agencies with the appropriate request.

In particular, your geographic location data can be provided by our advertising partners.

4. How we protect your personal information?

Xcryptex.com adheres to a strict policy regarding the protection personal data of users and ensures their safety. All received personal data is stored on a separate server in a secure database, the security of which is provided by technical support. We take all necessary and modern security measures to prevent any break-in attempts or unauthorized distribution of your personal data; however, in the event of our security system being hacked, we do not take any liability.

5. The rights of users regarding their personal data.

Each user has the right to contact the support service and ask to change the personal data which was specified during registration or further verification of the account; if Xcryptex.com support considers these requirements legitimate and reasonable, the request will be fulfilled. If you wish to change citizenship passport data, Xcryptex.com support may request a passport or document to confirm.

Xcryptex.com has no right and cannot change the user's personal data without his consent.

Each user has the right to contact the support service with a request to remove any personal data specified during registration and collected by us during use of our site. All personal data will be deleted from the Xcryptex.com database, including cookies, IP-address, and parameters of the user's computer, except for the history of the conducted transactions, disputes, and appeals to the support service as this information may relate to other users and cannot be deleted unilaterally. After this operation, any cooperation with the user ceases in view of the impossibility of further rendering services to him.

Please, check this page regularly for updates! The web-site's administration has the right to change or edit issues in the current Privacy Policy whenever necessary per their own decision without notifying every registered User personally.

TERMS & CONDITIONS

1. What are these Terms and Conditions?

1.1 These Terms and Conditions set out the terms on which Xcryptex provides the Site and provides the Services and on which You agree to use the Site and to use the Services. These Terms and Conditions apply to all Orders made via the Site.

1.2 Please review these Terms and Conditions carefully and make sure that You understand them before using the Site and/or making an Order. If You do not agree to these Terms and Conditions, You must cease use of the Site and must not make an Order through the Site

2. Acceptance of Terms and Conditions

2.1 By using the Site and/or making an Order, You accept and agree to be bound by these Terms and Conditions.

2.2 Xcryptex may at any time modify these Terms and Conditions. Xcryptex will notify You of any changes to these Terms and Conditions either by emailing You (at the email address entered by You into the registration form on the Site) and/or by posting a notice on the Site. By continuing to use the Site and/or making any Order after changes to these Terms and Conditions are made and notified to You, You agree to be bound by such changes.

2.3 You can review the most current version of our Terms and Conditions at any time by clicking on the "Terms and Conditions" link located at the bottom of the Site. It is Your responsibility to ensure that You are familiar with the current Terms and Conditions. You are advised to check the above link on a regular basis.

3. Definitions

3.1 In these Terms and Conditions:

"Account" means the account of a User with Xcryptex which is created when a User registers with Xcryptex by completing the registration form available on the Site.

"AML Documentation" means the documentation required to be provided by the Customer as set out in our Anti-Money Laundering Policy.

"Digital Currency" means the virtual currencies known as crypto currencies or digital currencies.

"Fiat Currency" means the currencies issued by jurisdictions, such as the USD, GBP, Yen, Swiss Franc, Euro, etc.

"Xcryptex", "we" and "us" are references to Xcryptex.

"Customer", "Your" and "You" means a user of the Site who makes an Order via the Site.

“Order” means any request by a User to purchase any Goods made by selecting one or more Listings, adding such Listings to Your Orders and making payment for the contents of Your Order book (as further detailed in clause 6).

“Site” means the products published through www.xcryptex.com by Xcryptex from time to time including without limitation the trading platform at www.xcryptex.com and their subdomains.

4. Registering as a User

5.1 You may access the public areas of the Site which contain general information about Xcryptex and our service without registering as a Customer.

5.2 If You wish to place an Order, you will first be required to register as a Customer. Due to compliance with regulatory requirements, registration is a two-step process as follows:

(a) completion of the Create Account registration form which can be found on the Site; and

(b) provision to Xcryptex of the AML Documentation (as set out in our Anti-Money Laundering Policy)

5.3 Once Xcryptex has received all of the required documentation as set out in paragraph 5.2 and our Anti-Money Laundering Policy, Xcryptex may undertake certain additional security checks on You.

5.4 If Xcryptex in its sole and absolute discretion is satisfied that You comply with all applicable requirements, Xcryptex will provide You with a verified account to access the Site.

5.5 Please note that you will not be able to make an Order under any circumstances until the regulatory requirements have been met.

5.6 The Customer undertakes to provide Xcryptex as soon as practicable on demand with any and all information that Xcryptex may require, or in Xcryptex’s sole and absolute discretion considers necessary, including without limitation for the purposes of providing such information to any applicable governmental or regulatory authority in relation to regulatory compliance or anti-money laundering laws and regulations.
